Like the enfeebled woman 2000 years ago who had spent all of her living on physicians in seeking treatment without success, there are many of our patients who are longing to come in contact with the Great Physician.

“As He [Jesus] was passing, she reached forward and succeeded in barely touching the border of His garment. But in that moment she knew that she was healed. In that one touch was concentrated the faith of her life, and instantly her pain and feebleness gave place to the vigor of perfect health.”
– Desire of Ages p. 343

The purpose of AMEN is to help each of our patients to come in contact, as this feeble woman did, with the Living Christ. It is to model the healing ministry of Christ in bringing physical, mental, emotional, and spiritual healing to our patients.

If you desire to have a deeper relationship with Christ so that you can be even more effective in leading your patients to reach out in faith to the Christ that you love so deeply, be sure to attend the 2020 AMEN Conference, “Touch of Faith” brought to you virtually October 29 – November 1, 2020.

DO YOU KNOW A MEDICAL OR DENTAL STUDENT?

AMEN is committed to mentoring young people. Although we will not be meeting in person this year, AMEN encourages medical and dental students to join us virtually throughout the weekend. We will also have a special zoom event for students Friday evening October 30.
