

AMEN 2022 Annual Conference

Theme: Life More Abundant

CDE Agenda & Objectives

Overall Objectives:

At the end of the conference, the learner will be able to:

1. Identify the need for Spiritual Care (SC) in the clinical setting and develop practical and effective ways to implement SC on a daily basis.
2. Discuss how being involved in ministry improves job satisfaction, increases resiliency, and reduces burnout in healthcare practitioners leading to 'life more abundant'.
3. Implement whole person care by sharing principles of living "life more abundant" including the Adventist health message and most importantly, introducing patients to Jesus Christ as the source of true healing and inner peace.

Friday October 28, 2022

CDE Seminars

Breakout Session A: 2:00 – 3:00pm

1 CDE

Steve Chang, DDS

Title: *To Make Man Whole*

Objectives:

At the end of the presentation, the learner will be able to:

1. Identify effective ways to access patient needs and evaluate underlying issues that may be affecting patients' dental and overall health.
2. Demonstrate practical ways to treat patients' underlying needs to improve patient quality of life, and in turn, improve their dental health.
3. Implement principles learned that will enhance the development of long-term positive relationships with patients and staff.

Breakout Session B: 3:10 – 4:10pm

1 CDE

Fred Lee, DDS

Title: *Building an Abundant Life God's Way in the Life and the Practice.*

Objectives:

At the end of the presentation, the learner will be able to:

1. Identify ways to get back to the basics of building an abundant life and career.
2. Discuss ways to embrace the challenges of practice ownership and overcome them.
3. Challenge the status quo mindset and seek to inspire a paradigm shift of thinking.

Breakout Session C: 4:20 – 5:20pm

1 CDE

Calvin Kim, DDS

Title: *Won By One!*

Objectives:

At the end of the presentation, the learner will be able to:

1. Identify their role and opportunity as dentists to provide whole person care "abundant life" to their patients.
2. Recognize the number one commodity for both a successful dental practice and connecting with their patients.
3. Illustrate how to build bridges with their patients through optimal care and service.
4. Discuss practical keys for making their dental practice a center of influence that thrives, not merely survives.
